

DRESS CODE

The Board of Governors of Dearborn Country Club has developed and refined a Dress Code, which all members and their guests are expected to adhere to when utilizing the facilities of the Club. The Board has directed that the Management team be empowered to enforce this code, and thereby deny privileges to members, their children and their guest who are not in conformity with these standards. The Club Management shall have sole discretion and authority in matters of appropriateness of attire.

Clubhouse

The Board has voted to relax our dress code for the 19th Hole, Terrace Room and Patio. Other rooms can be included with board approval, if it is a private function. Instead of stipulating days and times when denim is acceptable, we are going to trust our members and their guests to use good judgment. Country Club appropriate denim is defined as properly sized, in excellent condition, and consistent in color. Country Club appropriate denim does not include holes or rips, frayed material, denim shorts, work type denim shirts, bibs, painter pants, or jeans that are worn extremely low cut. Tasteful and appropriate shirts and shoes must be worn. Shirts should be tucked in unless tailored for outside wear. Flip-flops (rubber, plastic beach shower shoes) are not permitted in the 19th Hole, Terrace Room and Patio. Members utilizing the work out facilities are required to change before utilizing the club beyond the workout rooms.

Members are encouraged to consider common sense, respect for tradition, modesty, and the comfort of fellow members and their guests when making casual-attire decisions. We prefer our members dress-up rather than dress-down when visiting the Club. While we expect that members will use good taste and judgment, the Board has directed Club Management to discreetly review any inappropriate casual attire decisions directly with the member to ensure that the Club maintains a casual environment that is enjoyable for everyone.

Please understand that the dress codes for the Golf Course and Pool have not changed. At no time will denim be allowed in any of those areas.

Clothing deemed inappropriate at all times at the Golf Course and Pool: Short shorts, sweats(shirts/pants), athletic or jogging shorts, spandex biking shorts and tops, cut-offs, halter tops, fish net or tank tops.
